About Us

ThousandLemons started as a way to share new ideas and discover the best multicultural recipes. Our passion is experimenting in the kitchen to bring home-made dishes to the family. The beautiful thing about cooking is that there is always something new to learn. We built ThousandLemons to share our journey with you. The recipes include Asian, Western, European, and much more. No matter where you are in the world, food is always the best way to bring people together, and cherish more. We also bring food lovers together to explore new trend in kitchen gadgets, tools, and supplies.
